## RIOTING CONTINUES.

Soldiers and Strikers Have Clashed Some More.

### NUMBER ARE KILLED

Troops Fire a Volley Into a Body of Men at Lodz and Several Other Encounters Are Reported Also.

Lodz, Feb. 11.—A conflict between troops and strikers took place here Friday afternoon. According to one report strikers fired on a detachment of soldiers from windows and the latter then fired a volley into the crowd in the streets. Another report says one striker was killed and four wounded. Other persistent reports estimate the number of killed at twenty, and say that fifty were wounded. The conflict occurred at Louis Geyer's factory, where troops were lined up to prevent the men from entering to demand their pay.

The strikers generally are enraged at the refusal of other manufacturers to give them their pay, and several other encounters between mobs and troops are reported from different directions. A number of people are said to have been wounded. The greatest alarm prevails here. The shops were closed early Friday afternoon and the windows were boarded up.

It is reported that a general railroad strike will commence Feb. 14 throughout Poland. An official report received here from Sienovice says twenty strikers were killed and twenty-one wounded in the conflict Thursday.

### TWENTY-EIGHT KILLED.

Disastrous Results of a Riot Between Strikers and Soldiers.

Sienovice, Feb. 11.—On Thursday a mob invaded the yard of the Katherin works demanding that the workmen in charge of the electrical machinery join in the strike. A company of soldiers intervened and a Polish officer repeatedly called upon the people to disperse. They refused to leave unless they were accompanied by the workmen. It is said that a rioter menaced the officer with a knife, whereupon he gave the order to fire with the result that 28 persons, including a high school pupil, who happened to be passing fell dead, and thirty-six were seriously wounded. These latter were removed to a hospital, where five of them have since died. A number of others were slightly wounded. Many were wounded in the back and evidently they were trying to escape.

A large quantity of dynamite has been stolen from the explosive stores of the Cassimir mines.

### Witte's Papers Seized.

St. Petersburg, Feb. 11.—First act of the new Russian minister was to go to M. Witte's home and seized private papers. Latter is president of the council of the empire. Thirteen thousand iron workers are on strike here.

### Made Demonstration.

### MEXICO METHODISTS.

General Conference of the Church is in Session at Capital.

City of Mexico, Feb. 11.—The annual meeting of the Central Mexican conference of the Methodist Episcopal church, south, is being held here, presided over by Bishop Chandler. Among the visitors are Rev. Dr. Rankin of Dallas, Tex., Rev. Wilkinson of New Orleans and W. C. Everett of the Southern Methodist Publishing house. Many missionaries of the church are in attendance.

### THREE LIVES LOST.

Passenger and Freight Trains Crash Into Each Other in Mexico.

Laredo, Feb. 11.—In a wreck on the National Railway of Mexico, which occurred on the San Luis Potosi division between the towns of Narneros and Laventura, 258 miles south of this city, three persons are known to have lost their lives. As train No. 4 was wending its way through the mountain region beyond Saltillo it crashed into a northbound freight train which had taken a siding for the purpose of permitting the passenger to pass. The train was running at a speed of about thirty-five miles per hour and collided with the freight train with such terrific force that second car, which was used for second and third-class passengers, was completely telescoped.

This is the most serious wreck ever happening here. Two of the dead are a woman and her child.

Later report says the death list is five.

### JUDGE LEA DIES.

Deceased Was One of the Oldest Residents of Pecos Valley.

Roswell, N. M., Feb. 11.—Judge Frank Houston Lea, aged sixty-five, United States commissioner, and one of the oldest residents of the Pecos valley, died after an illness of several weeks. Deceased came to Roswell in 1881, and built one of the first houses here. He was a brother of the late Captain Lea, the first mayor of Ros-

well, and the man who "blazed the way" in the Pecos valley.

### Sullivan Challenges Corbett.

St. Louis, Feb. 11.—John L. Sullivan has challenged James J. Corbett for a fight. Corbett's reply was: "I wish he had the health and youth to be able to fight me or anybody else. That's all the bad luck I wish the poor old fellow."

### SALARIES PROVIDED.

Favorable Report Made on Proposed Constitutional Amendment.

Austin, Feb. 10.—House committee on constitutional amendments reported favorably bill of Mr. Onion providing that members of the legislature shall receive a salary of \$1000 first year and \$2 per day for any called session second year.

Senate passed finally house bill providing a penalty for managers and those who control gambling houses.

Senate passed finally Senator Glasscock's bill providing that county and district judges may determine whether it is necessary to appoint appraisers to value estates.

The governor appointed L. L. Kinder of Hale county judge of the new Sixty-fourth judicial district court in the Panhandle and D. C. Glasgow district attorney. Both nominations were confirmed by the senate.

By a vote of 11 to 5 house committee on common carriers decided to report favorably the bill by Mr. Brown of Kaufman county authorizing the Texas and New Orleans Railroad company to sell its Dallas-Sabine Pass line. This action was taken after the committee, by a vote of 8 to 7, had rejected the amendment of Mr. Mays, chairman of the committee, providing that the sale should not take place until the Texas and New Orleans, Houston and Texas Central and Houston East and West Texas railroads had scaled their stocks and bonds to a sum equivalent to the valuation of their properties by the railroad commission. Mr. Mays will make a minority report.

Senate finally passed following bills: Senator Looney's bill creating a more efficient road system for Rains county; Senator Glasscock's bill fixing the time of holding court in the Thirty-third judicial district.

Senator Grinnam's bill providing for the forfeiture of license of physicians guilty of malpractice and quackery and further defining same.

Senator Hanger's bill creating a criminal district court for Tarrant county.

Senator Beaty's bill repealing the statute providing for a \$10 attorney's fee in collecting accounts against railroad corporations, same having been declared unconstitutional by the supreme court of the United States.

Governor Lanham signed the bill declaring Jefferson Davis' birthday a legal holiday and the bill giving railroad companies two years more in which to complete the construction of their lines.

### MINERAL WELLS.

Fort Worth, Feb. 11.—County Judges and Commissioners' association selected Mineral Wells for next meeting place.

The Terrell election law was discussed at length.

Following officers were elected: President, Judge Bradley of Fannin county; vice president, John McClure of Cooke county; secretary, F. T. Woodward of Dallas county.

A number of resolutions were adopted. One favoring a constitutional amendment providing for 10 cents on the \$100 valuation for jury funds in counties. Another favors additional accommodations for lunatics.

### FIRST PAYMENT MADE.

Money Turned Over by Miss Driscoll to the Owner, Charles Hugo.

San Antonio, Feb. 11.—Miss Clara Driscoll has paid the first of the notes given by the Daughters of the Republic when they purchased the Alamo property.

The amount of the payment was \$13,000, of which amount \$3000 was interest. This leaves four notes of \$10,000 each still to be paid, and they will be paid by the state out of the appropriation for that purpose. The payment was made by Miss Driscoll to Charles Hugo, the owner of the property. The first payment made was \$25,000.

"We, the undersigned, realizing

the neglect of business and waste of  
means that justly belong to our fam-

and to do good, do obligate and  
pledge ourselves and to each other,  
for the term of one year, neither to  
treat or be treated, buy, sell or use  
any intoxicating liquors or beer un-  
less prescribed by a physician.

"We further agree that if one or  
more of us shall prove so weak in  
moral courage as to forfeit this obli-  
gation, that it shall not be consid-  
ered a release to others; and anyone  
so sinning shall forfeit \$50.00 to be  
applied to charitable or benevolent  
purposes, as directed by the mem-  
bers or a majority of such as are true  
to their pledge.

#### FOUND IN A COAL CAR.

White Man's Toes Show up in a Con-  
signment of Territory Coal.

Negroes unloading a car of coal  
here yesterday on Bryan street  
made a greswome find in the car.

It was the great toe and the sec-  
ond toe of a white man's left foot  
with about twelve inches of liga-  
ment that must have been pulled  
from the foot and leg with great

violence, causing a severe and  
painful laceration of the limb as  
well as the foot. The toe of a shoe  
was also found. The toes were  
well preserved, showing the acci-  
dent recent, or else preservation by  
the cold weather. Blood was still  
visible upon the lacerated parts.

The car of coal was from Cham-  
bers, I. T., brought in over the H.  
& T. C., and consigned to Carson,  
Sewall & Co. There was nothing  
to indicate whether the accident  
happened at the mines or on the  
railroad en route, or who the un-  
fortunate man was.

Prof. Brooks of Waco, president of  
Baylor University, lectured before a  
fair sized and appreciative audi-  
ence, including many of the Allen  
Academy students, at Carnegie hall  
last night. Prof. Brooks' subject  
was "The Choice of Hercules," his  
discourse being educational in char-  
acter, urging upon youth that when  
the parting of the ways is reached  
the choice must be made between  
duty and pleasure, and those who  
would succeed must steadfastly de-  
ny themselves and labor with dili-  
gent application. Prof. Brooks is a  
man of fine physique, splendid intel-  
lect and a good speaker. He has  
achieved not only success, but emi-  
nence by the precepts his lecture  
teaches.

Rev. W. F. Junkin, who will preach  
at Presbyterian church this morn-  
ing at 11 o'clock, arrived in the city  
yesterday and is the guest of Dr. J.  
D. West. Rev. Junkin is at home  
on a vacation after nine years ser-  
vice as a missionary in China. He  
will lecture on "China" before the  
students of the A. and M. college to-  
night.

#### WINTER EATING RUINS STOMACHS

"Now Is the Time You Need Mi-o-na."

Says E. J. Jenkins.

Think for a moment of the extra  
strain you put upon the stomach in  
the winter. The hearty food, the  
late suppers, and the lack of exer-  
cise and outdoor life all weaken and  
strain the stomach, laying the founda-  
tion for poor health and suffering.

Chronic stomach troubles, nervous  
irritability, and serious bowel and  
kidney diseases have often dated  
from a week of extra "good living."

Nearly everyone is bothered with  
more or less headaches and back-  
aches, furred tongue, poor appetite,  
dry, hacking cough, heartburn, spots  
before the eyes, dizziness or vertigo,  
sleeplessness, lack of energy, loss of  
flesh or a general weak, tired feeling.

Now is the time when Mi-o-na is  
needed to repair the ravages and  
wastes the hearty eating of Winter  
has caused in the stomach and di-  
gestive system. This is the only  
known agent that strengthens the  
stomach and digestive organs, so  
they can and will readily digest  
whatever food is eaten. A Mi-o-na  
tablet taken before each meal will  
remove all irritation, inflammation  
and congestion in the digestive or-  
gans, and so strengthen them that  
they will extract from the food all  
that goes to make good rich blood,  
firm muscle, and a sound, healthy  
body.

This remarkable remedy costs but  
50 cents, and if its use does not re-  
store your full vigor, vitality, and  
health, E. J. Jenkins, one of the  
best known druggists in this section  
will refund your money. Unbound-  
ed faith like this deserves your con-  
fidence.

SOCIAL  
and Club Matters

Mrs. Cliff A. Adams' home was the scene of a brilliant reception Thursday afternoon, when the Chaffing Dish Club, the Bachelor Girls, and Miss Weaver of Dallas were named as honorees. The beautiful affair might be called a symphony in red and white, the accepted colors for the heart season so near at hand. In anticipation of the romantic 14th of which was veiled in the same color. This picture greeted the eyes as the guests entered the door opened by Misses Frances Hall and Lilla Adams; and relieved of wraps by Misses Dorcas Parker and Mary James, while Mesdames Hall, A. M. Waldrop, McKenzie and McInnis stood ready to offer the hand of greeting. The rich rose-colored walls of the reception room were emphasized by roses and bowls of LaFrance roses placed about with most telling effect; and bright lights of waxen pink twinkled from many candelabra. In this room the gracious hostess received with Miss Adams, Miss Weaver of Dallas, Miss Parison of Hillsboro, Mrs. Bain of Houston and Mrs. Robert Webb. The red and white again lavishly decorated the dining room. The high polish of the table gleamed through beautifully wrought lace pieces, and hearts throughout, as if there had been a veritable shower of hearts. The light of many candles, the flashing of rich cut glass, and the sparkle of bright silver, and the fragrance of large red and white carnations, made this like a scene from dreamland. Mrs. Hanway served cups of tea from a silver urn at one end of the table, while at the other Mrs. Oliver served coffee. Also Mrs. Perkins, Mrs. A. J. Buchanan, and Mrs. Carnes assisted in receiving in the dining room, while Misses Jessie Garth, Hettie Smith, Keeling and McInnis served the guests with a delicious salad course which was prepared with the same colors, red and white. The function was the social event of the week—the bright spot in the seemingly endless season of bad weather and cheerlessness, which were forgotten for the evening at least by Mrs. Adams' fortunate guests.

The Juvenile Missionary Society of the Methodist church was entertained at a Japanese party Friday evening at the home of Mrs. Lillie L. Chance. The decorations included Japanese lanterns, fans, etc., and were very beautiful and effective. Misses Frances Chance, Mary Ross Parker, Pauline Webb, Weasie Hobgood and Clara Mawhinney were in pretty Japanese costumes. The three first named received the guests and the two others poured tea from dainty Japanese cups. In a contest of bible questions Miss Minnie Barrow captured the girl's prize, a cup and saucer; and the boy's prize, a knife, went to Willie Tucker. Numerous games were enjoyed and a delightful evening was the verdict of all when good nights were said. Charlotte and cake were the refreshments.

Thursday afternoon St. Cecilia's Musical Club spent a pleasant and profitable hour of study in the convent studio. Handel is now the subject of our reading and discussion. A short sketch from the early years of Adelina Patti was read and proved very interesting as our club members still remember the anticipated visit to Texas of about a year ago. Misses Helen Carroll and Ruby Davis contributed piano selections which, as usual, were dainty bits of musical refreshment. The club will meet again Feb. 16 at 8:30 o'clock. Mary Harris, Secretary.

Miss Kate Lawrence entertained several couples of young friends with a delightful Forty-two party Friday evening. After the games, which were closely contested and greatly enjoyed, the hostess served nut gelatine, whipped cream and cake. Present were Misses Trannie Wren, Tillie Stuart, Bessie Buchanan, Nannie Lou Betts, Maud Nicol, Daisy Lee, Annie Goodson and Kate Lawrence; Messrs. Edward Sally, Rob. Hearne, Hal Hearne, Elmer Dodson, Prof. Parker, George Skaines, Dr. Lawrence, J. T. Lawrence.

Miss Mai Wilson's class in music will give their first recital at the opera house Saturday afternoon, Feb. 18, at 4 o'clock. An excellent program is in preparation. There will be no charge for admission and the public is cordially invited.

The following invitation has been issued: Mr. and Mrs. F. D. Perkins. Miss Tarlton. At Home. Thursday evening, Feb. 16, 1905, 9 o'clock. Elks hall, Dancing.

The bad weather had a depressing effect upon society as well as business the past week.

Mrs. Collins Bradley will entertain the Bachelor Girls Wednesday evening.

The Embroidery Club will meet Tuesday with Mrs. Malcolm Carnes.

EMPEROR RECEIVES.

Tokio, Feb. 11.—Saturday, the anniversary of the coronation of the first emperor of Japan, was generally celebrated throughout the empire, the war successes giving additional zest to the occasion. Tokio and all the other principal cities were decorated. The emperor at a lunch party received, including nobles, officers and diplomatic corps, about 600. The emperor toasted the powers represented at the luncheon and Baron Danethan, ambassador from Belgium and dean of the diplomatic corps, responded on behalf of the foreign representatives. Count Katsura, premier of the empire, responded for the Japanese government.

The Japanese captured an eminence south of Changchichia on Thursday morning, Feb. 9, driving off two companies of Russian infantry. The Russians have continued shelling Field Marshal Oyama's center and left since Thursday last. The Russian dead who were buried after the battle of Hekou-tai totalled 2000. The Japanese on that occasion captured 2000 rifles.

THIRTY-THREE KILLED.

In One District Fifty Thousand Men Are Out on Strike.

Lodz, Feb. 11.—The governor, in an interview with a correspondent of the Associated Press, said: "My official reports from Sosnovice show that thirty-three persons were killed and thirty-six wounded, eighteen of whom were seriously hurt, in the conflict Thursday. The trouble began when a large body of striking miners tried to force the furnace men of the iron works to put out the fires and join them. The mob became violent, broke down the fence and forced an entrance into the works, which were guarded by two companies of infantry. The officers ordered the crowd to leave, but they refused. Suddenly a striker drew a large knife and rushed at an officer. The soldiers then fired on the mob." There are 50,000 men on strike in the Sosnovice district.

MEMORIAL OF MASTERS.

They Make Several Suggestions About Affairs to M. Witte.

St. Petersburg, Feb. 11.—The Society of Russian Iron Masters, representing \$600,000,000 of capital, has memorialized M. Witte, president of the committee of ministers, on the labor question, pointing out that the attitude of the people is a warning "that no repressive measures will end the deeply-rooted national movement of the Russian people." The iron masters further declare the normal relations between workmen and their employers are only possible with a system of government based on justice and with the participation of both employers and employees in legislation, equality for all before the law, inviolability of domicile, freedom of speech and press and universal compulsory education.

DECLINES RE-ELECTION.

President of Moscow Zemstvo Says He Has Had Enough of It.

Moscow, Feb. 11.—Prince Troubetzkoy, president of the Moscow zemstvo, has informed the assembly of nobles that he declines re-election as provincial marshal of nobility. Addressing the meeting of nobles, Prince Troubetzkoy declared that throughout his tenure of office he had always striven to maintain harmony among the nobility of Moscow and throughout Russia, but as a split had manifested itself during the debate on the recent address to the emperor he had decided not to seek re-election. The assembly tried to induce Prince Troubetzkoy to reconsider his decision, but he refused to do so.

COMMITTEE OF SEVEN.

Von Buefow Sent a Telegram Giving the Strikers' Side.

Essen, Feb. 11.—The strikers' executive committee of seven sent the following telegram to Chancellor Von Buefow: "At a conference of delegates of the striking coal miners held Feb. 9 it was determined to resume work. In this they met the wishes of your excellency, but the workmen were turned away in masses from many mines. Great excitement has been caused by this action and we, in consequence, fear the worst. We beg your excellency to use your influence in authoritative quarters to prevent these provocations from occurring again."

Extended to Other Works.

St. Petersburg, Feb. 11.—The strike has extended to Lesseners, Tielsmans and a number of other works. The men remained quiet and determined Saturday and declared they would not yield until they won the fight for an eight-hour day. A large number of troops were posted about Viborg and Newsky quarters.

Thought Sent to Riga.

St. Petersburg, Feb. 11.—It is reported that Maxim Gorky has been sent to Riga to undergo his trial. He was permitted to travel first class, paying his own fare.

Emperor's Portrait Destroyed.

Kutais, Feb. 11.—At Batoum a party of high school boys publicly destroyed a portrait of the emperor. Troops dispersed them with a volley.

MINUTE

One Minute Cough Cure gives relief in one minute, because it kills the microbe which tickles the mucous membrane, causing the cough, and at the same time clears the phlegm, draws out the inflammation and heals and soothes the affected parts. One Minute Cough Cure strengthens the lungs, wards off pneumonia and is a harmless and never failing cure in all curable cases of Coughs, Colds and Croup.

Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure and gave her three doses half an hour apart. The croup was mastered and our little darling speedily recovered. I cannot praise One Minute Cough Cure too much for what it has done in our family.—A. L. Spafford, Postmaster, Chester, Mich.
